WELCOME TO OUR NEW ON-LINE CATALOGUE

We are pleased to invite you to browse in our new On-Line Catalogue with more than 25,000 items.

This document has been provided to help you to navigate through the site.

If you have any questions, please don't hesitate to use **Contact Us**.

CREATE A LOGIN

Click on **Register**, a **New User Registration** form will appear on your screen.

Complete and submit the form. Your request will be processed immediately. You may request more than one login for your account.

Once your request has been approved, you will receive a confirming email. You are now able to log in and take advantage of additional features reserved for account holders.

CHANGE YOUR PASSWORD

Click on **My Account**, in the **Logon Information** click on **Edit Info**, fill in all the fields and click on **Submit**.

LOGGING INTO OUR CATALOGUE

Under **Customer Login**, enter the email address and password you requested for logging into the On-Line Catalogue.

You will receive a Welcome Back message while the website verifies your entry and retrieves information about your account. You are now ready to search for products by using the '**Search by Part Number or Keyword**' or the **Categories** on the left side or even use the **Quick Order Pad** on the Home Page.

SEARCHING FOR ITEMS

There is many ways to search for items:

At the top of the screen, you will see 2 ways to search for your items, Item Id or Keyword search.

You may also drill down to the part you are looking for by using the Product Categories listed on the left side of the screen. Each item has been assigned to product categories to assist you in finding the exact item you need.

You may also search by Manufacturers using the Manufacturers tab, by clicking on one of the Vendor Name you will have all the products that we carry for that manufacturer. Clicking on one of the Vendor Website will bring you on their website.

SEARCH RESULT SCREEN

After finding the product, there is additional information that you can review for that item:

- A thumbnail picture of the product, if available, which can be clicked on to see a larger image
- The Item Id
- The description
- The current availability
- The unit of measure, when applicable, use the drop down box to order in a different unit of measure such as box, etc...
- Pricing specific to your account, **prices in red indicate that there are quantity discount available for this item.** Click on the price to see how you can save money by ordering additional quantities
- The manufacturer of the product
- Substitutes/Accessories: A link will appear under the part number if substitutes or accessories are available for an item. Clicking on the link takes you to the item detail screen to the actual placement of the substitute or accessory items on that screen. Clicking on a substitute or accessory will allow you to place that item on the order

PLACING AN ORDER OR REQUESTING A QUOTE

You can choose several ways to add items to an order or a request for a quote. On the Search Results screen or the Item Detail screen, you can pick the quantity you want and click on the **Add to Cart** button or **Add Quantities to RFQ** for a quote.

Shopping Cart:

Once you clicked to **Add the item**, a new screen will appear.

Several options are available to you :

Edit Cart:

- If you click on **Edit Cart**, you have the possibility to change quantities, after changing the quantity on an item or items, click on **Update Cart** to see your changes

Remove Item(s):

- To remove items, click on **Edit Cart** (if not done already) and then **Remove** next to the item you want removed, your cart will refresh automatically

Add to favorites:

- Add this order to your favorites. If you anticipate repetitively ordering these items in the future, you can save time by clicking on Add to List (See Create Favorites for more information)

Place your order:

- If you would like to continue shopping, click on **Continue Shopping** if not, click on **Checkout** to complete this order and send it to us.

The screen presented has been filled in with your default shipping and billing information. Make sure all asterisked information is filled. Click on **Checkout** to continue processing your order or if you are not ready to submit the order and need to change or add items to the order, click on Exit Checkout.

Clicking on **Checkout**, will display your totals one last time for you to confirm, click on **Submit Order**. When you have submitted your order a screen confirms your order. You can print it for your records.

A confirmation email will also be sent to you. Your order will be processed and shipped to you through the requested shipping method.

Quote:

Once you clicked to **Add Quantities to RFQ**, a new screen will appear. Several options are available to you :

Add to RFQ:

- To add a new item to the quote

Update RFQ:

- Change the quantities and update RFQ

Empty RFQ Cart

Continue Shopping

Submit RFQ

- A confirmation email will also be sent to you

CREATE FAVORITES

We offer you the opportunity to save time when placing orders on repetitive items. By using an option called **Favorites** or **Shopping List**, you can save items, give them a name that helps you in retrieving them for future orders, and then place them on an order quickly.

To create a list, click on **Favorites**, enter a name for your list, click on **Submit**, find the product(s) you want to add to this list, enter a quantity and click on **Add Quantity to List**. Then click on the list you want to add this(these) item(s) and **Submit**. Continue the process if you want to add more items to your list.

By checking the items and by clicking on **Add checked to Cart** or by clicking on **Add List to Cart**, your items will be added to your Shopping cart. You can continue the process to send us your order.

RETRIEVING FAVORITES

To retrieve a previously saved Shopping List, click on **Favorites** at the top of the screen, select a saved Shopping List, click **Submit**.

REMOVE A FAVORITES LIST

To remove a Favorites list, click on **Favorites**, click on the list that you want to remove, click on **Submit** and finally click on **Clear**, you will be asked to confirm your choice, click **OK**.

CONTACT US

You can request information from us without leaving the web site. When you click on the Contact Us tab, you will be asked to enter your information, add a brief message and click Submit. A representative will contact you either by email or phone to answer your question or address your concern.

MY ACCOUNT INFORMATION

If approved to view your company's information, you will have the capability to click on **My Account** at the top of the screen to allow you to view Recent Orders, Open Orders, Invoices, Purchase History, etc....

SHOPPING CART

While you are adding items to your order, you have the ability to click on **Shopping Cart** at the top of the screen to review the items you have in your current shopping cart.

By clicking on **View Cart**, you can modify the quantity, remove any items, add items, etc...

Don't forget to click on **Update Cart** if you make any change to the quantity you ordered.
